Class limits

No excess applies to approved Oops Cover items, approved repairable puncture cover, or approved jockey wheel assembly cover. For body, guard, ramp, latch or minor non-structural damage, the Big Oops excess only applies where the approved repair cost is higher than the applicable excess.

Class	Typical trailers	Oops limit	Big Oops limit	Big Oops excess
Class A	Small trailers: 6x4, 7x4, small box/cage trailers	\$300	\$750	\$100
Class B	Medium trailers: larger cage, furniture, enclosed or general-use trailers	\$400	\$1,000	\$150
Class C	Car trailers, winch trailers, plant trailers, braked/higher-risk trailers	\$500	\$1,500	\$150

Big Oops extras

Included under Big Oops	Important limits
Repairable tread-area trailer tyre puncture	One per hire, up to \$60. No sidewall, shoulder, bead, blowout, tyre replacement, wheel/rim, callout, towing, recovery, travel or after-hours cover.
Jockey wheel assembly damage	Up to \$80. Includes jockey wheel, wheel, handle, shaft and clamp components only. No drawbar, A-frame, chassis, mounting structure, misuse or missing/stolen cover.

Trailers only

Trailer Damage Cover does not apply to machinery, plant, equipment, excavators, loaders, wood splitters, firewood processors, compactors, tools, attachments, implements or other non-trailer Hire Items.

Not insurance

Trailer Damage Cover is optional and is not insurance. It is a contractual damage waiver that may reduce liability for selected accidental trailer damage only, subject to the full Rental Terms and Conditions.
